COLOUR	  White Black

Features

- Remote controlled automatic folding system
- Folds by simply pressing a button
- Back seat pocket for extra storage while on-the-go
- Large foot platform to accommodate the user's comfort
- Specialty foam seat design for extra comfort

1. Due to manufacturing tolerances and continual product improvement, this specification can be subject to a variance of + or - 3 %.
2. Specification varies with user weight, terrain, battery type, battery condition and tire pressure.

NOTE: All specifications subject to change without notice. The information contained herein is correct at the time of publication; we reserve the right to alter specifications without prior notice. Speed and range vary with user weight, terrain type, battery charge, battery condition and tire pressure. Due to manufacturing tolerances and continual product improvement, length, width, turning radius and ground clearance can be subject to variance of + or - 3 %. Dimensions listed are for power base only. Overall measurements will vary based on seating and accessory selections.

Theoretical range is calculated under test conditions in accordance with European standards. Actual range in normal use will depend on many factors, including the condition of the vehicle and its batteries, the weight of the driver, correct tyre pressures, ambient temperature, and the gradient and surface of the road or pavement. Dimensions listed are for power base only. Overall measurements will vary based on seating and accessory selections.
